To receive a Library card

Dear parent or guardian:

- All patrons need to show identification and proof of current address to have access to the 140+ C/W MARS Libraries and the materials and services that all have to offer.
- To provide your child with a new or replacement card, we need to verify his/her name & address.
- A parent/guardian may come in with his/her child to get the card immediately. (We will check the parent's identification with current address.)
- Or you may complete and sign the application on the other side, and wait for the "Good News" card to come in the mail. This will act as identification for your child's name & address.
- Your child will be issued a card when he/she returns with this completed & signed application and the "Good News" card or other identification showing name and address.**
- First card is free. Replacement cards are \$1.

VIDEO/DVD POLICY AND PERMISSION SLIP **please read carefully**

For Children and Young Adults - Ages 17 and under

The Palmer Public Library has several thousand videos and DVDs in its collection on a wide variety of subjects for patrons of all ages. These include feature films, historical and scientific documentaries, instructional programs, travel and recreation guides, and stories for children.

Some titles contain mature content and subject matter, and some have been rated "R" by one or more film rating organizations. We encourage all parents to familiarize yourselves with our collection, so that you and your children can make the best use of these valuable learning tools.

My son/daughter _____ has permission to check out videos and DVDs from the Palmer Public Library. I understand that it is not the library staff's responsibility to monitor what my child checks out. I will take full responsibility for videos and DVDs that my child borrows from the library, including overdue fines and replacement charges.
